

## PACS Harmony – Adding Worklists to your Desktops and Favorites

### I. Adding Worklists to your PACS Harmony Desktops:

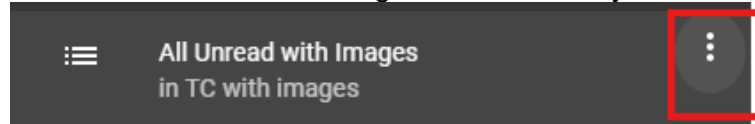

A. Click on the “hamburger menu” on the top left

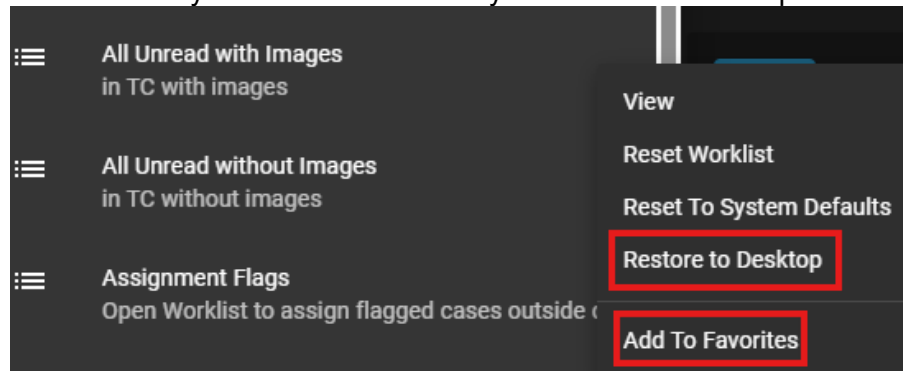

B. Choose the down carrot for Global. Then choose down carrot for All Worklists

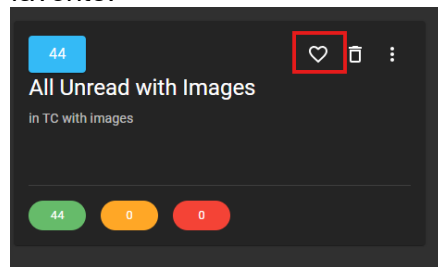

C. Click on the 3 dots on the right of the worklist you want to add to your desktop:

D. Choose Restore to Desktop so it shows on your PACS harmony desktop and Add to Favorites if you want it to show on your favorites at the top:

E. Another option is to click on the heart on your desktop for the worklist you want to favorite:

F. Now you'll see the Worklist on your PACS Harmony Desktop and Favorites at the top:
